

## Ad hoc disclosure of K+S Aktiengesellschaft

Kassel/Germany, July 20, 2021

### Quarterly Result

### **K+S Aktiengesellschaft: EBITDA in Q2/2021 expected to be significantly above previous year's level**

On the basis of preliminary earnings figures, EBITDA for the K+S Group in Q2/2021 amounts to about €110 million (Q2/2020: €52.7 million). The closing of accounts is still ongoing.

The year-on-year improvement in earnings mainly results from higher average prices and sales volumes in the Agriculture customer segment and higher sales volumes in the Industry+ customer segment.

The company will publish its complete Half-Year Financial Report on August 12, 2021.
