# FUTURE FOOD

THE FUTURE FORUM ON WORLD NUTRITION  
OCTOBER 16, 2018 · BERLIN

## ABOUT K+S

K+S considers itself a customer-focused, independent minerals company for the Agriculture, Industry, Consumers, and Communities segments and wants to grow the EBITDA to € 3 billion by 2030. Our approximately 15,000 employees enable farmers to provide nutrition for the world, solutions that keep industries going, improve daily life for consumers and provide safety in winter. We continually meet the growing demand for mineral products from production sites in Europe, North and South America as well as a worldwide sales network. We strive for sustainability because we are deeply committed to our responsibilities to people, the environment, the communities and the economy in the regions in which we operate.
