

Explanation on the attendance of the Annual General Meeting, absentee ballot and proxy voting

Ordinary Annual General Meeting of K+S Aktiengesellschaft

on Wednesday, 10 May 2017, 10:00 a.m.,
in the Kongress Palais Kassel – Stadthalle,
Holger-Börner-Platz 1, 34119 Kassel, Germany

Dear Shareholders,

We are delighted about your interest in the Ordinary Annual General Meeting of K+S Aktiengesellschaft to be held on 10 May 2017, 10:00 a.m., in the Kongress Palais Kassel – Stadthalle, Holger-Börner-Platz 1, 34119 Kassel, Germany.

The prerequisite for your personal attendance at the Annual General Meeting and the exercise of the voting right, absentee ballot, for authorizing a third party or for authorizing the company's voting proxies and issuing instructions to them, is that you have registered for the Annual General Meeting no later than by midnight on 3 May 2017 as described below under Point 1 and are entered in the share register for the registered shares. The shareholding recorded in the share register on 4 May 2017, 12:00 a.m., is decisive for the exercise of the right to attend and vote, since no registration changes take place in the share register between this time and the end of the Annual General Meeting.

Registration for the Annual General Meeting does not result in the shares being blocked. Shareholders are therefore still free to make dispositions in respect of their shares after registration.

1 Registration

You can register online via the K+S Shareholder Portal (see Point 1.1) or by means of the registration form by post, fax or e-mail (see Point 1.2).

If you register in the K+S Shareholder Portal for the dispatch by e-mail of the Annual General Meeting documents for the following year and thus help us to benefit the environment and reduce costs, you will automatically take part in a **draw for 3 iPad Mini**.

1.1 Online registration via the K+S Shareholder Portal

As a shareholder of K+S Aktiengesellschaft, you have the opportunity to register online for the Annual General Meeting, print or order your admission ticket, exercise your voting right by absentee ballot or be represented by power of attorney or instructions. You can transmit and/or change absentee ballots until 9 May 2017, 6:00 p.m. You can issue and/or amend instructions to the Company's proxies in the K+S Shareholder Portal at the day of the Annual General Meeting until the end of the speech of the Chairman of the Board of Executive Directors.

The shareholder number necessary for access to the K+S Shareholder Portal and the individual access password are sent automatically to all shareholders who are recorded in the share register, together with the invitation letter. If you are entered in the share register with more than one shareholder number, you will receive a separate access code for each shareholder number. You have to register separately in the K+S Shareholder Portal for each shareholder number.

Our shareholder service will be pleased to help you under +49 89 889 6906 50, Monday to Friday from 8:00 a.m. to 6:00 p.m.

Further explanations of how to use the K+S Shareholder Portal can be found under Point 5.

1.2 Registration by registration form

A registration form is sent together with the invitation letter to the Annual General Meeting to all shareholders who are entered in the share register. In case you do not want to register for the Annual General Meeting online via the K+S Shareholder Portal (see Points 1.1 and 5) please send the completed form to:

K+S Aktiengesellschaft
c/o Better Orange IR & HV AG
80674 München, Germany
Fax: +49 89 889 6906-33
E-Mail: k-plus-s-hv2017@better-orange.de

A correspondingly addressed stamped envelope is enclosed with the letter. **Please only fill out the front or rear of the form.** You have the possibility,

- to register for personal attendance at the Annual General Meeting, authorize a person of your choice (front) or
- to exercise your voting right by absentee ballot directly or to grant power of attorney with instructions to the proxies of K+S Aktiengesellschaft (back).

Further notes on how to use the form are enclosed with it. Please consider the postal delivery times and return the registration form early enough. If you have received more than one registration form, please complete and return all forms.

2 Attending the Annual General Meeting

2.1 Attending the Annual General Meeting in person

After having registered in time, shareholders receive an admission ticket for the Annual General Meeting. Shareholders who register in the K+S Shareholder Portal have the option of printing their admission ticket themselves directly.

Unlike the registration to the Annual General Meeting, the admission ticket is not a precondition for attendance, but merely serves to facilitate the procedure at the admission control points for access to the Annual General Meeting.

The meeting rooms are open on 10 May 2017 from 8:30 a.m. Appropriate security checks are carried out in the interests of all participants. We ask you not to bring any dangerous objects

with you. To prevent unnecessary delays and waiting times at the admission control points, it is recommended that you arrive early.

2.2 Attendance of an authorized person of your choice

The voting right can also be exercised by a person of your choice.

Power of attorney may be granted to a third party via the K+S Shareholder Portal (see Points 1.1 and 5). Alternatively, the front of the registration form can be used (see Point 1.2). The admission ticket is sent, if desired, directly to the proxy. Furthermore, the proxy statement printed on the admission ticket can be used for granting power of attorney. Please sign it and hand the admission ticket to your representative.

Please check whether and under what conditions the authorized person is prepared to represent you. Please note that in this case K+S Aktiengesellschaft has no influence on whether your votes are actually represented at the Annual General Meeting. If you authorize more than one person or representative, K+S Aktiengesellschaft may reject one or more of them.

Granting power of attorney, revoking it, and proof of authorization vis-à-vis the Company require a textual form. On the day of the Annual General Meeting, power of attorney may be granted, revoked, and authorization may be proven via the K+S Shareholder Portal until the end of the speech of the Chairman of the Board of Executive Directors may be documented electronically under www.k-plus-s.com/agm, under fax no. +49 89 889 6906-33, or until the end of the general debate at the admission points to the Annual General Meeting.

3 Absentee ballot

Shareholders can cast their votes, even without participating in the Annual General Meeting, in writing or by way of electronic communication (Absentee ballot).

Only those registered shareholders – in person or by proxies – are entitled to exercise their voting rights by absentee ballot that have been registered for the Annual General Meeting by 3 May 2017, 12:00 a.m., at the latest as described above under Point 1.

Shareholders can exercise their voting right by absentee ballot via the K+S Shareholder Portal (see Points 1.1 and 5). Alternatively, the back of the registration form can be used (see Point 1.2).

Absentee ballots must reach the Company by 9 May 2017, 6:00 p.m., at the latest. If individual voting is held on an item on the Agenda, a vote cast for this Agenda item shall apply for each single sub-item. Absentee ballots cast in time via the K+S Shareholder Portal can subsequently be changed there until 9 May 2017, 6:00 p.m.

If absentee ballots are submitted via different communication channels with differing instructions, absentee ballots are taken into consideration in the sequence of their arrival at the Company. An exception to this are absentee ballots provided on the Internet via the K+S Shareholder Portal. Such absentee ballots replace absentee ballots received by the Company via other channels of communication, but may only be amended via the K+S Shareholder Portal and revoked there or through personal attendance at the Annual General Meeting.

4 Proxy voting by the proxies nominated by the Company

If you do not participate personally in the Annual General Meeting and also do not authorize a third party, you can have your voting right exercised by the voting proxies of the Company, Ms. Gesa Gustke, Kassel, and Mr. Martin Heistermann, Kassel.

The proxies appointed by the Company exercise the voting right exclusively on the basis of the instructions issued by the shareholder. Please note that the voting proxies appointed by the Company will not accept any mandates to make speeches, enter objections against resolutions of the Annual General Meeting, or ask questions or submit motions.

In the absence of explicit instructions, power of attorney and instructions to the Company's voting proxies do not include any votes on further motions such as counter-motions or procedural motions. If you wish to exercise shareholder rights beyond what is described above, you have to exercise your rights yourself or authorize a third party.

Power of attorney and instructions may be granted to the voting proxies appointed by the Company via the K+S Shareholder Portal (see Points 1.1 and 5). Alternatively, the back of the registration form can be used (see Point 1.2).

You remain entitled to attend the Annual General Meeting in person even after issuing power of attorney and instructions to the Company's voting proxies. On the day of the Annual General Meeting, power of attorney may be granted, revoked, and authorization may be proven via the K+S Shareholder Portal may be documented electronically until the end of the speech of the Chairman of the Board of Executive Directors under www.k-plus-s.com/agm, under fax no. +49 89 889 6906-33, or at the admission points to the Annual General Meeting until the end of the general debate.

If power of attorney/instructions are submitted via different communication channels with differing instructions, power of attorney granted/instructions provided are taken into consideration in the sequence of their arrival at the Company. An exception to this is power of attorney granted/instructions provided on the Internet via the K+S Shareholder Portal. Such power of attorney/instruction replaces power of attorney/instructions received by the Company via other channels of communication, but may only be amended via the K+S Shareholder Portal and revoked there or through personal attendance at the Annual General Meeting.

Any number of shares noted in the K+S Shareholder Portal before 4 May 2017, midnight, is provisional and will, if necessary, be adjusted in accordance with the changes entered in the share register up to that point in time. Your registration for the Annual General Meeting, your absentee ballots, your power of attorney and instructions to the voting proxies appointed by the Company or your power of attorney granted to a person of your choice relate(s) to the number of shares entered in the share register under the corresponding shareholder number at 4 May 2017, 12:00 a.m.

Please note that the following notes apply exclusively to use of the K+S Shareholder Portal. The conditions for exercising your rights as a shareholder by other means remain unaffected by them.

We recommend that you begin the electronic registration early enough, so that in the event of technical faults you still have the opportunity to register on time by sending the completed questionnaire.

Exercising the voting right by absentee ballot can be granted via the K+S Shareholder Portal after having registered in time until 9 May 2017, 6:00 p.m., at the latest.
