K+S postpones Annual General Meeting due to Corona Pandemic

As a result of the rapid spread of the coronavirus in Germany, K+S will not be able to hold the Annual General Meeting of the Company planned for 12 May 2020 in Kassel. The protection of the health of employees, shareholders and the service providers involved is of the utmost importance. The decision is also based on the current prohibition of the State of Hesse on attending events with 100 or more participants.

In accordance with the statutory period of notice, the Annual General Meeting must be held in person at the latest by the end of the eighth month of the financial year. The new date for the Annual General Meeting of K+S Aktiengesellschaft will be announced once it is determined.

About K+S

K+S considers itself a customer-focused, independent minerals company for the Agriculture, Industry, Consumers, and Communities segments. Our more than 14,000 employees enable farmers to provide nutrition for the world, solutions that keep industries going, improve daily life for consumers and provide safety in the winter. We continually meet the growing demand for mineral products from production sites in Europe, North and South America as well as a worldwide sales network. We strive for sustainability because we are deeply committed to our responsibilities to people, environment, communities and economy in the regions in which we operate.
