Solidarity with Ukraine

K+S donates €500,000 for humanitarian aid

K+S has provided half a million euros in emergency aid to support the civilian population in need as a result of the war in Ukraine. This sum will be donated to "Aktion Deutschland Hilft".

"We are deeply shocked that war is raging in Europe again! With our donation, we want to provide immediate help for reducing the suffering of the people and at the same time express our solidarity with Ukraine," says K+S Chairman of the Board of Executive Directors Dr. Burkhard Lohr.

Furthermore, K+S supports various projects of its own employees at its sites, among other things by giving them time off, providing donations in kind and arranging aid transports to the region. Campaigns by the subsidiaries in the Czech Republic and Poland are also receiving support.

"Aktion Deutschland Hilft" is an alliance of 23 German aid organizations for emergency response. The aim is to combine forces and therefore provide fast and effective help. For further information, please visit www.aktion-deutschland-hilft.de.
