**K+S Aktiengesellschaft**

### **K+S extends mandates of the Board of Executive Directors**

Dr. Christian H. Meyer will remain the CEO of K+S Aktiengesellschaft until March 2031. At its last meeting, the Supervisory Board renewed his mandate for five years.

Meyer joined K+S as CFO in 2023. In June 2025, he took over as Chairman of the Board of Executive Directors from his predecessor, Dr. Burkhard Lohr. At the same time, the service agreement of Dr. Carin-Martina Tröltzsch, Deputy Chair of the Board of Executive Directors and COO, was extended until February 2029. The terms of Labor Director Christina Daske and CFO Dr. Jens Christian Keuthen will run until 2026 and 2028, respectively.

“We look forward to continuing to work with Dr. Meyer and Dr. Tröltzsch. By extending their terms of service at different periods, we are sending a clear signal of continuity and stability in the top management of our Company. K+S and the Board of Executive Directors are facing a challenging market environment. We are confident that they will continue to successfully drive forward the development of K+S,” says Dr. Harald Schwager, Chairman of the Supervisory Board.

## About K+S

We make an important contribution to society: We enable farmers securing the world's food supply. Our products keep numerous industries running. We enrich consumers' daily lives and ensure safety in winter. With around 11,000 employees, production sites on two continents, and a global distribution network, we are a reliable partner for our customers. At the same time, we are realigning ourselves: We are focusing even more strongly than before on fertilizers and specialties. We are becoming leaner, more cost-efficient, more digital, and more performance-oriented. On a solid financial basis, we are tapping into new markets and business models. We are committed to our responsibility towards society and the environment in all regions in which we operate. Learn more about K+S at [www.kpluss.com](http://www.kpluss.com).
