Dear Shareholder,

a proper registration is the prerequisite for your personal attendance, for authorizing a third party, and for authorizing the company's voting proxy and issue instructions to him. Please register for the Annual General Meeting as set forth below.

1 Ordering the admission ticket

To attend the Annual General Meeting and exercise the voting right, you need an admission ticket, which you have to request from your depositary bank. The deadlines stipulated in the invitation under the section "Requirements for the attendance of the Annual General Meeting and the exercise of the voting right" must be observed in this context. Your depositary bank will most likely inform you in mid-April about the possibility to attend the Annual General Meeting of K+S Aktiengesellschaft. In order to ensure that you receive your admission ticket in time, your order should be received by your depositary bank as soon as possible.

With your admission ticket you can:

- attend the Annual General Meeting in person,
- authorize a person of your choice to attend it,
- authorize the company's voting proxies to attend it and issue instructions to them,
- using the electronic Proxy and Instruction System, authorize a third party to attend it or authorize the company's voting proxies to attend it and issue instructions to them.

2 Attending the Annual General Meeting

2.1 Personally attending the Annual General Meeting

You can personally attend the Annual General Meeting with your admission ticket. To attend the Annual General Meeting, we ask you to present your admission ticket at the admission counter.

In order to establish complete presence, we ask you to present all admission tickets in your possession to us.

The meeting rooms open at 08:30 hours on 11 May 2010. In the interest of all attendants, reasonable security measures will be implemented. We ask you not to carry any dangerous objects. In order to avoid unnecessary delays and waiting times at the admission check-in points, it is recommended that you appear early.

Shareholders may use regional public transport free of charge to travel to and from the event location within the integrated public transport system of Nordhessischer Verkehrsverbund. In addition, you will find a map and travel information for drivers in the invitation; we would like to point out, however, that parking spaces at the event location are limited.

2.2 Attendance of an authorized person of your choice

The voting right may also be exercised by a person of your choice, a bank, or a shareholders' association authorized by you.

Granting the power of attorney, revoking it, and proof of authorization vis-à-vis the company generally require the text form. The revocation may, however, also be effected by the share-

holder attending the Annual General Meeting in person.

If you want to authorize a third party, the proxy statement printed on the admission ticket can be used. Please sign it and hand the admission ticket to your representative. Alternatively, you may also use the System for electronic transmission of the power of attorney and instructions on our website that is explained under Clause 4 below.

We would like to point out that proper registration and proof of shareholding by the depository institution are also required when authorizing someone else.

If the shareholder authorizes more than one person, the company may reject one or several of them.

3 Proxy voting by the proxies nominated by the company

The company offers those shareholders unable to attend the Annual General Meeting themselves to be represented by the instruction-bound voting proxies of the company (Mrs. Kriemhilde Wenk, Lohfelden, and Mr. Andreas Scholz, Kassel).

The corresponding section on the admission ticket, which will be mailed to you after proper registration through the depository institution, may be used to issue power of attorney and instructions to the voting proxies nominated by the company.

Please send the power of attorney and instructions to the company's voting proxies to:

K+S Aktiengesellschaft
Investor Relations
Postfach 10 20 29
34111 Kassel
Fax: +49 (0)561 9301 2425

Alternatively, you can also use the System for electronic transmission of the power of attorney and instructions on our website that is explained under Clause 4 below.

You remain entitled to attend the Annual General Meeting in person even after issuing power of attorney and instructions to the company's voting proxies. The personal registration by you or your representative at the check-in point to the Annual General Meeting constitutes a revocation of the power of attorney and instructions to the company's voting proxies.

Please note that the power of attorney and instructions to the company's voting proxies include only an instruction-bound exercise of the voting right. No further instructions, such as e.g. to submit motions, questions, or make statements, can be issued to the company's voting proxies.

In the absence of explicit instructions, the power of attorney and instructions to the company's voting proxies do not include any votes on further motions such as counter-motions or procedural motions. These votes will be counted as abstentions in these cases. If you wish to exercise shareholder rights beyond what is described above, you have to exercise your rights yourself or authorize a third person.

4 System for electronic transmission of the power of attorney and instructions

The company offers an Internet-based system for electronically submitting the power of attorney and issuing instructions or, as the case may be, revoke them. Afterwards, you receive a confirmation of the power of attorney granted, which you can print out for documentation purposes. Please hand your admission ticket or a printout of the confirmation about the power of attorney to your proxy in order to facilitate registration at the check-in counters of the Annual General Meeting.

You can now leave the Internet-based Proxy and Instruction system by clicking on “Logout”.

4.4 Revoking powers of attorney and changing instructions over the Internet

You can revoke your power of attorney and/or change your instructions. You can access the Proxy and Instruction System again by entering the five-digit number on your admission ticket, the single-digit verification number, and your personal eight-digit access code from your first login.
