K+S: Focus remains on strengthening the balance sheet

June 2020: Net financial liabilities: EUR 3.0 billion

Net financial liabilities/EBITDA: 5.6x

Sale of OU Americas

OU Europe+ measures

Restructuring

End of 2021

- Reduction of net financial liabilities by significantly more than €2 billion
- Stable cross over rating targeted

Complete sale OU Americas on schedule

Unique position in the salt market

- Leading brands with high emotional customer loyalty
- Established customer-oriented network with 29 locations in North America and cost-effective production in South America
- Revenues: EUR 1.5 billion (2019)
- EBITDA: EUR 230 million (2019)
- Stable cash flows

-
- Sale process is proceeding according to plan so far despite current conditions with regards to Covid-19
 - Strong overall performance in H1 2020 despite mild winter mainly due to strong cost discipline, operational improvements, and optimal use of logistic network
 - Signing expected in 2020

K+S realignment is making progress

Target

- all sites free cash flow positive even with a low potash price or weak winter business after allocation of overhead and interest
- One important step is the development of a new organization based on an SG&A cost budget of EUR 140 million (EUR 60 million less than in 2019)

Approach

- One administrative level, less hierarchical levels
- Change from matrix to functional organization
- Elimination of dual functions
- Talks with labor representatives ongoing
- Volunteer program started
- Implementation by 01 January 2021

Current market assessment

Social contribution – operational measures

We ensure the supply of essential goods with our products

- High-purity pharmaceutical salts for medicine and use in dialysis and infusions
- Potassium salts for the preparation of a wide range of medical products
- Salts for the production of disinfectant materials, soaps and chlorine
- Potassium fertilizers for the agricultural production of food
- Waste disposal services with underground recovery and disposal

We take care of health and safety of our employees

- Corona prevention teams established
- Shift times shortened and staggered
- Number of shift interactions reduced
- Additional disinfectant dispensers installed
- Rules of conduct sent to 3,000 suppliers

Customer Segment Agriculture

Stable specialty business and regional diversification paying-off

Q2/2020

- After signed contracts in China and India, product flow restarted into these markets
- Prices have bottomed out in Brazil on the back of very strong demand despite strong supply
- Still weak demand in SEA

Outlook

- Price recovery in Brazil expected to continue
- This also alleviates pressure from European market

Trading update: Communities

Pricing trends for next biddings

Q2/20 update:

- Sales volume ~30% below previous year.

Outlook:

- High customer inventory levels
- However, multi-year contracts help us prevent stronger price declines
- Some contracts in higher price regions (e.g. Canada) already settled end of 2019
- For Q4/20 we expect prices to decline slightly to moderately YOY across all regions
- Expected sales volumes ~ 8 million tonnes for 2020 (Ø-year: 12.5 – 13.0 million tonnes)

Current Trading Customer Segments Industry + Consumers

Industry

- Broad portfolio of potash/salt products supplying a broad variety of industries
- Examples:
 - Food salt for hotels and restaurants or chemical salt for the automotive industry as well as Oil & Gas salt negatively affected by COVID-19
 - Pharma salt and other sub segments showing positive trends

Consumers

- Good progress in the rollout of the German premium table salt brand Saldoro®
- Strong performance in the Americas, with stable or growing volumes across categories
- Strong demand for water softening and pool salt

Financials

Outlook 2020

No effects from sale of OU Americas included

Main assumptions

- FY/20 Agriculture ASP expected to be slightly above Q2/20 level (€ 231/t)
- FY/20 Agriculture sales volume expected to be >7 mt (2019: 6.3 mt)
- FY/20 Communities sales volume of 8 mt (normal year 12.5-13.0 mt); normal winter conditions in Q4
- COVID-19-related efficiency losses included for the remainder of the year; larger unforeseeable effects not assumed (e.g. shutdown)

We expect free cash flow to be at **break even**

We are making progress with the measures that are in our hands

Strong operational performance; widely COVID-19 robust

No wastewater-related issues in Germany

Bethune quality fulfills customers expectations

Active working capital management to secure liquidity

Package of measures making progress

Improved liquidity headroom thanks to KfW credit facility

Signing for OU Americas sale expected this year

Realignment of the “New K+S” has started
