K+S Aktiengesellschaft

Supervisory Board: Re-sizing of the Board of Executive Directors

Ms. Fabiola Fernandez Grund, who had already been appointed as a further member to the Board of Executive Directors of K+S Aktiengesellschaft in December last year, will, at the request of the Company, not take up her mandate at the beginning of next year.

With its decision, the Supervisory Board is following the process of resizing the administration of K+S and refraining from the originally planned expansion of the Board of Executive Directors until further notice. Under the leadership of CEO, Dr. Burkhard Lohr, the team of the Board of Executive Directors will therefore continue to consist of three persons together with the CFO, Thorsten Boeckers, and Mark Roberts, COO.

“We would like to thank Ms. Fabiola Fernandez Grund for her support in this joint decision and personally wish her all the best and continued success in her career,” said Dr. Andreas Kreimeyer, Chairman of the Company's Supervisory Board.

About K+S

K+S considers itself a customer-focused, independent minerals company for the Agriculture, Industry, Consumers, and Communities segments. Our more than 14,000 employees enable farmers to provide nutrition for the world, solutions that keep industries going, improve daily life for consumers and provide safety in the winter. We continually meet the growing demand for mineral products from production sites in Europe, North and South America as well as a worldwide sales network. We strive for sustainability because we are deeply committed to our responsibilities to people, environment, communities, and economy in the regions in which we operate.
